Life Transformation Happens

We had one of our largest turnouts for Family Day this past month! The Teen Challenge Men's Choir sang a very anointed song, *Revelation Song*, which touched many families. Many enjoyed seeing their loved one worshipping God. We also set another benchmark for Tallahassee TC with the graduation of five men: Steven Anderson, Brent Chatagnier, Jeffrey Harding, Chad Hickox and Daniel Jones. We can't wait to see what God is going to do with their lives, if they continue to serve Him and apply what they've learned over the last year. Two of the men are in our Emerging Leaders Program (ELP) and are going to continue to be plugged in at Teen Challenge. Because of the restoration that God has done in one of our graduate's lives, he was able to relocate to Tallahassee, with his wife and child, to have a fresh start. GLORY TO GOD!

R&R with Supporters

It was so awesome that Keith & Sonya Chapman opened their home to the men of Teen Challenge for a cookout and pool party! We had such a great time of fellowship. Of course, the men really enjoyed playing billiard, water basketball and swimming. They enjoyed the diving board so much, that they accidentally broke it! Oops! The men work and study hard, so to have a break like this was definitely a special treat for them. We enjoyed grilling out hamburgers and hot dogs, eating yummy watermelon and all the traditional American food at a cookout! We want to say a special thank you to the Chapmans for such a great evening!

Special Chapel Services

It was an honor to have Pastor John Wollschlager hold special chapel services here in Tallahassee. Pastor John and his wife, Anne came here for a week to visit with us. They are good friends of ours from Pensacola. The Wollschlagers have a heart and a burden for men who are struggling with drug addiction & alcoholism. God has used them to touch many lives over the years, even Pastor Deron's.
